The Sarah Quiz club was started for the benefit of students and to keep them updated on the recent trends and factors. We are living in a competitive world, in which success is determined by our ability to upgrade ourselves according to the standards of the world and the quiz club provides a great platform for the students to achieve this feat.

The quiz club members meet once a week to discuss and share information and recent developments in their respective fields. At the end of the month a quiz is conducted to test the students on the knowledge gained during the following month.

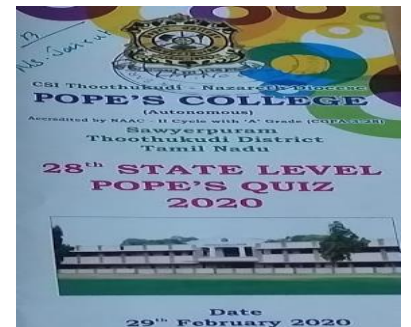

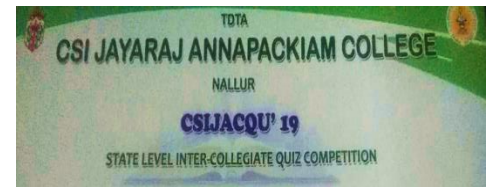

We have **SARAH QUIZ!**

conducted an inter-departmental quiz competition on December 2019, Students from various departments participated enthusiastically. After the preliminary round, the finals were conducted and Naveena and Raja Rajeswari of Mathematics (S/F) were declared the winners.

The students participated in the following inter-collegiate quiz competitions.
